

# PHARMACEUTICAL PRODUCT INFORMATION

## APIs with CEP and EU-DMF Documentation

A focused reference list of active pharmaceutical ingredients in the WWPS portfolio with CEP and/or EU-DMF documentation indicated in the current catalogue.

|     |        |
|-----|--------|
| CEP | EU-DMF |
|-----|--------|

17 listed active pharmaceutical ingredients

### Available portfolio

| API                            | CAS No.     | Documentation                   |
|--------------------------------|-------------|---------------------------------|
| Cyproterone Acetate            | 427-51-0    | CEP, EU-DMF                     |
| Dexamethasone Sodium Phosphate | 2392-39-4   | CEP, EU-DMF, US-DMF             |
| Dydrogesterone                 | 152-62-5    | CEP in progress, EU-DMF         |
| Eplerenone                     | 107724-20-9 | CEP, EU-DMF                     |
| Estradiol Hemihydrate          | 35380-71-3  | CEP, EU-DMF, US-DMF             |
| Estradiol Valerate             | 979-32-8    | CEP, EU-DMF                     |
| Ethinyl Estradiol              | 57-63-6     | CEP, EU-DMF, US-DMF             |
| Hydrocortisone                 | 50-23-7     | CEP, EU-DMF, US-DMF             |
| Megestrol Acetate              | 595-33-5    | CEP, EU-DMF, US-DMF             |
| Methylprednisolone             | 83-43-2     | CEP, EU-DMF, US-DMF             |
| Mifepristone                   | 84371-65-3  | CEP in progress, EU-DMF, US-DMF |
| Norethisterone                 | 68-22-4     | CEP, EU-DMF                     |
| Prednisolone                   | 50-24-8     | CEP, EU-DMF, US-DMF             |
| Prednisone                     | 53-03-2     | CEP, EU-DMF, US-DMF             |
| Prednisone Acetate             | 125-10-0    | CEP, EU-DMF, US-DMF             |
| Progesterone                   | 57-83-0     | CEP, EU-DMF, US-DMF             |
| Rocuronium Bromide             | 119302-91-9 | CEP, EU-DMF, US-DMF             |

Documentation status is based on the current WWPS product catalogue and must be confirmed for the specific product, manufacturing site, destination market and customer project before supply. Product availability is subject to qualification and commercial confirmation.
